

# World Book Day Celebrations.

It's here again and we are ready to inspire and celebrate another brilliant World Book Day in your School. You have 2 options with your World Book Day Dance workshop.....

**1. Tell us the books that the children are reading and we will create a DANCE WORKSHOP to suit the style and theme.**

**2. Your pupils can Create an "Original Book". We will perform each chapter through dance and movement.**

## What is included in the sessions?

- **Dance and Character based workshop to engage the children with musicality, expression, movement and performance.**
- **Music to relate to their chosen book and/or their "original story".**
- **All children will have a mini routine to perform at the end of their session. We welcome the rest of the school, teachers and parents to watch the performance/s. (We suggest a large performance including all groups at the end of a Full Day Workshop.)**
